CAFR authorization 777/2007

**Independent insurance report issued in accordance with Regulation no. 5/2018
of the Financial Supervisory Authority**

To the Board of Directors of Sinteza SA

I performed the procedures regarding the Current Report from 10.09.2019 to the Financial Supervisory Authority (ASF) and the Bucharest Stock Exchange (BVB) in connection with the Additional Act no. 15/2755 / 12.08.2019 to the Credit Agreement 2755 / 22.02.2012 concluded by Sinteza SA Oradea (the Company), with the administrators, employees, shareholders holding the control, as well as with their affiliated entities, whose individual value represents at least the equivalent in lei of 50,000 euros, according to the provisions of art.82 of Law 24/2017 and Regulation no.5 / 2018, regarding the issuers and the operations with securities.

Specific purpose

The report was drafted in order to support you in evaluating the information on the Current Report dated 10.09.2019, and should not be used for other purposes. The report should not be associated with the financial statements of the Company, taken as a whole. Our procedures were performed exclusively on contracts concluded between July 1, 2019 - August 22, 2019.

Management responsibilities

The management of Sinteza SA is responsible for the preparation of the current and supplementary Reports in accordance with the requirements of Law no.24 / 2017. The management of the Company has the responsibility of designing and implementing internal controls that allow the preparation of the current and additional Report so that they are free of significant distortions.

Also, the management of the Company is responsible to ensure that the documents provided to the auditor are complete and correct.

Auditor's responsibility

We performed the insurance mission in accordance with the International Standards on Insurance Commitments, respectively ISAE 3000 (revised), "Insurance missions, other than the audit or revision of historical financial information", adopted by the Romanian Chamber of Financial Auditors. These regulations provide that we respect the ethical standards, plan the mission and carry out the insurance mission so as to obtain limited insurance regarding the current Report.

We comply with the requirements of the International Quality Control Standard (ISQC 1), and consequently, we maintain a quality control system, including documented policies and procedures regarding compliance with ethical requirements, professional standards and legal and regulatory requirements.

We have complied with the requirements of independence and other ethical requirements of the Code of Ethics of the Accounting Professionals, which is based on the fundamental principles of integrity, objectivity, professional competence and due attention, confidentiality and professional behavior.

The insurance commitment made represents a limited insurance commitment. The nature, term and extent of the procedures performed within a limited assurance mission are limited compared to those required within a reasonable assurance mission. As a result, the level of insurance obtained under a limited insurance commitment is lower.

Regarding the current Report of the Company we have performed the following procedures:

- a) I requested and obtained the current Report attached and I verified the compliance with the requirements of Law 24/2017, art.82, regarding the information included in the report;
- b) We have obtained copies of the Contract and the addendum and verified that they have been approved by the contracting parties;
- c) I have verified that the current Report includes all the information provided in the Regulation no.5 / 2018, art.144, annex 12 and the information presented in the Report are in accordance with the provisions of the Contract to which they refer;
- d) From the discussions with the management of the Company, we obtained an agreement on the way in which the conditions and the costs committed by the contract have been established;
- e) We have verified that the respective transactions are carried out in accordance with the approved and signed contracts.

Our procedures have been applied only to the contract included in the current Report attached, prepared for the period July 1, 2019 - August 22, 2019 and which have an estimated value during the reporting period of more than 50,000 euros. We have not carried out any procedure to verify that the current Report includes all the transactions and details that the Company must report according to art. 82 of Law no. 24/2017.

Conclusion

Based on the procedures performed and the evidence obtained regarding the contract included in the current Report, we have paid the following:

- a) Concordance between the information presented in the current Report and those in the contract and the additional act made available to us;
- b) Presentation in the Current Report of the details indicated by the legal regulations;
- c) The authorization of the transactions in the Contract was made in accordance with the company's policies and procedures;
- d) The transactions with the directors, staff and its significant shareholders were performed according to the terms and conditions stipulated by the parties in the Contract concluded.

Our report is issued only for the purpose set out in the first paragraph of this Report and for your information and should not be used for other purposes.
